What Others Are Saying

"Jeanine's dynamic presence captured my attention, inspired me and all those in the room. She ignited action with an unforgettable invitation to realize a greater possibility for myself, others, and the bottom-line."

Jeanine magnetically draws you in, ignites a spark within. Her compelling message was both grounded in proven business strategies and expansive while integrating non-traditional wisdom. I left on-fire, compelled to achieve greater personal and business success."

**JULIE GILBERT, GLOBAL EXPLOSIVE GROWTH
CEO, DIGITAL LEADER &
BUSINESS BUILDER**

"Jeanine is one of my favorite people! In the years I worked with her, I found her work highly effective and completely unique. She works within the established frameworks but produces surprising outcomes. She is interested in who you are, what you desire, and hope to accomplish, then uses that insight to help you unlock your talents."

BRAD ANDERSON, FORMER CEO OF BEST BUY

"If life is sending you challenges, there is no better way to meet them than to tap your own vast inner wisdom. Jeanine Thompson lays out a powerful and pragmatic pathway to create harmony between your inner world and your outer experience. Highly recommended!"

JACK CANFIELD, CO-AUTHOR OF THE NEW YORK TIMES BESTSELLING 'CHICKEN SOUP FOR THE SOUL' SERIES, AMERICA'S NO.1 SUCCESS COACH, AUTHOR OF THE SUCCESS PRINCIPLES

"Jeanine's words and wisdom carry transformative energy that help people live their best life. These expansive and practical methods to achieve mind/body/soul harmony gave me a new perspective on living a balanced and intentional life. An inspiring and essential read."

PHILIP NOYED, TOP 60 MASTER ARTIST

"Jeanine's energy alone draws people into her circle - couple her energy with her business knowledge and training and she's a dynamo! She is a caring and gifted guide who easily empowers her audiences, challenging and leading them to approach their goals fearlessly - with gazelle intensity! I feel blessed to have experienced benefit from her professional knowledge and her personal positivity"
